

Dehydrated Ginger Applications

Bakery & Confectionery

Ginger powder can be incorporated into gingerbread and other bakery formulations.

Ginger Tea & Beverages

Fine ginger powder can be used in ginger-based beverage and tea preparations.

Marinades

Ginger powder can be incorporated into marinades to provide its characteristic flavour and aroma.

Seasoning & Spice Blends

Ginger powder provides a convenient format for seasoning and spice applications.

Culinary Preparations

Dry ginger flakes can be incorporated into different culinary preparations where dried ginger is required.

Food Manufacturing

The dehydrated format provides food manufacturers with a convenient ginger ingredient for commercial formulations.

Distinctive Ginger Aroma & Flavour

The catalog describes the products as providing the characteristic robust flavour and aroma associated with ginger.

Flexible B2B Packing

Dry ginger flakes are available in **25 kg and 50 kg** packing, while ginger powder is available in **10 kg, 15 kg, 20 kg and 25 kg** packing.

Multiple Packaging Formats

The catalog specifies **liner bag** packaging for flakes and **laminated paper bag, liner bag and box** packaging for powder.
