

Dehydrated Pink Onion

Premium Dehydrated Pink Onion Supplier & Exporter from India

Dehydrated Pink Onion is a versatile food ingredient made from carefully selected Indian pink onions. Known for their **milder and sweeter flavour compared with red onions**, pink onions can be used across a wide range of culinary and food-manufacturing applications.

SevenKNC Global Exim offers dehydrated pink onion in multiple forms, including **kibbled, flakes, chopped 3–5 mm, minced 1–3 mm, granules 0.5–1 mm, and powder 80–100 mesh**.

We procure pink onions from key growing regions including **Rajkot and Bhavnagar in Gujarat and Nashik in Maharashtra**, followed by quality checks before supplying them in dehydrated formats for domestic and international B2B requirements.

Dehydrated Pink Onion for Food Manufacturers & Importers

For food manufacturers and commercial buyers, dehydrated pink onion provides a convenient way to incorporate onion flavour into food products and preparations.

The availability of different particle sizes allows buyers to select the appropriate format according to their application.

Our dehydrated pink onion range is suitable for:

- Food manufacturers
- Seasoning manufacturers
- Spice-blend companies
- Soup and sauce manufacturers
- Snack manufacturers
- Ready-to-eat food manufacturers
- Ready-to-cook food businesses
- Food-service companies
- Commercial kitchens
- Importers

- Distributors
- Wholesalers
